

ART2SEA

DUBLIN'S ART AND SEA EXPERIENCE

Art2Sea - a combination of two of Dublin's specialist tour providers offers you an exclusive experience which blends Dublin's artistic culture and life on the coast in a single day!

Meeting at Merrion Square in the heart of Georgian Dublin, Cathy will guide you on your own private tour of the National Gallery of Ireland. Relax, enjoy a coffee and experience the beauty of the 'masterpieces' in the State's art collection, quickly becoming your own art expert. Delight in discovering how to look at art and

develop a new life-enriching skill while enjoying this fun, informative tour.

Leaving the calm of the gallery behind you are escorted onto the DART (Dublin's rapid transit system) out along the coast to Dun Laoghaire Harbour. A three-course lunch awaits you at the historic National Yacht Club established back in 1870 - where you can enjoy the gentle waterfront ambience of Dun Laoghaire.

Following lunch **'Explorer'** your 54-foot private ocean-going yacht awaits to take you out beyond the harbour to venture out to sea, passing Sandycove (home to the opening of James Joyce's Ulysses), Bulloch Harbour, Dalkey Island and Sound and on towards Killiney Bay. Make the experience your own, choose to sit and listen to the history and culture of the coastline or get involved and take the helm yourself under the leadership of Bref, your Captain. With the wind (and quite possibly rain) in your sails, head back to Dun Laoghaire Harbour and alight at the end of an exhilarating day. Your private bus takes you back to the city to spend an evening sharing the memories of your day.
